Review of Minutes
UPCC Meeting on Sept 27, 2018

Exemption for the BS in Integrative Studies- General Education track
Justification: The revision meets the exception criteria of addressing accreditation issues, since this proposal clarifies and formalizes in the KSU catalog and degreeworks what courses substitute for the major requirement courses.

Update on Honors College tMinors

Update on BS in Culinary, Sustainability and Hospitality

Update on GA Film Academy Courses

- Exemption for the BS in Psychology revision
  Justification: The revision addresses bottlenecks in the degree program, thus facilitating student success.

- Exemption for 8 GA Film Academy Courses
  Justification: If the courses are not offered by the English department, students who have already taken some of the courses (when offered in TPS) will not be able to complete the system-wide GFA Production Certificate. There is a strong demand for employees with this skill set in GA, and students from many KSU majors pursue the certificate.

- Exemption for the BA in African and African Diaspora/Black Studies and the BA in Asian Studies
  Justification: The revision is to address bottlenecks for both of these degree programs, thus facilitating student success.
